Only Exceptions Are Grapefruits and Huckleberries, Which Show an Advance.

Inflation of Markets in Anticipation of a Railroad Strike Has Caused Reaction.

Fruits, vegetables and other good food things for the table continue plentiful on the benches in the markets of the city and the dealers report the market brisk. As a general thing the changes to be noted in prices are lower than a week ago, when the market was somewhat inflated for fear of a railroad strike. Potatoes, both sweet and Irish, are today selling at 40 cents a peck, a drop of 10 cents from last week's prices. Many changes are made in prices this week and they are all to the advantage of the consumer, except on grapefruit and huckleberries and a few meats, which are higher priced. The season for the berries is practically over and but few are on sale. Cucumbers, which have been scarce and high, this morning dropped to 5 to 8 cents each, about half what they were a week ago. PRICES OF FISH DECLINE.

Large Increase in Supply of Many Varieties Responsible.

There has been quite an increase in the supply of many varieties of fish at the wharf market, and as a consequence, prices have dropped on butterfish, sea bass, gray trout and crabs. Spanish mackerel, rock, bass and the more choice fish still are scarce, but prices on them show no change from those of last week.

Both the bay and coast fisheries are contributing to the local market supply and the fish are reaching market in excellent condition. This morning the market was well attended by up-town retail dealers and prices ranged about as follows:

Spanish mackerel, 15 cents a pound; blues, 8 to 15 cents a pound; rock, 15 to 16 cents a pound; carp, 7 to 8 cents a pound; white perch, 12 1/2 to 15 cents a pound; halibut, 15 to 16 cents a pound; Potomac bass, 20 to 25 cents a pound; catfish, 25 to 30 cents a bunch; flounders, 12 1/2 to 15 cents a barrel; gray trout, \$2 to \$3 a barrel; croakers, \$3 to \$4 a barrel; butterfish, \$7 to \$8 a barrel; sea bass, \$10 to \$12 a barrel; spot, 6 to 7 cents a pound. Crabs are selling at from 50 to 75 cents a dozen for soft-shelled and from \$1.50 to \$2 a barrel for hard-shelled. Clams are in good demand and from 80 cents to \$1 a hundred.

MAJ. COOPE IS ORDERED TO PROCEED TO NOGALES

Now Believed Certain That Third Infantry Will Move to the Border in Immediate Future.

MAJ. HARRY COOPE.

To take up the duties of brigade adjutant general of the 3d Brigade of the 16th Division, Maj. Harry Coope of this city, and now adjutant general of the District troops at Camp Ordway, today was ordered to proceed to Nogales, Ariz. Maj. Coope was informed several days ago that he had been assigned to this duty, but did not receive his orders until today. He will leave within the next two days.

The 3d Brigade consists of the Idaho regiment of infantry, the Montana regiment of infantry and the 1st Separate Battalion of D. C. Infantry now at Naeco. As soon as the 3d Infantry arrives at Bisbee it will come under the 3d Brigade.

The District Signal Corps, now on the border, is to be consolidated with the Signal Corps Company from California, thus forming a battalion which will be assigned to the 16th Division, and Field Hospital is to be made a part of the sanitary detachment of the 16th Division.

Expected Third Will Move.

There was much interest among officers and men at Camp Ordway when it was learned today that Maj. Coope had received his orders to move. The opinion is general that the orders for this officer forecast the movement of the 3d Infantry, as the departure of Maj. Coope will leave the camp without an adjutant general.

Troop A, cavalry, and a detachment of recruits for the 1st Separate Battalion were reported to the Eastern Department today by telegram by Capt. Horace P. Hobbs, the United States military officer, as being fully equipped and at minimum strength. Orders moving this force are expected within a short time.

It was learned today from an authority that cannot be challenged that Troop A, cavalry, and Battery A, field artillery, will leave for Bisbee within a short time, and the last few days have raised the optimism fifty points or more. There now is absolutely no doubt that the troops at Ordway will move, it was declared.

The troops went out toward Alexandria today on a short field problem.

The troops at camp will be the guests of Manager Clark Griffith of the Washington base ball team at the game scheduled for next Tuesday. Gen. Harvey has ordered the 3d Infantry Band to furnish music during the game.

Recommend Passport Restrictions.

In order to meet complaints that American tourists in Great Britain have taken snapshots of Kirkwall harbor and other important places in violation of strict regulations, Mr. Page, the United States ambassador to Great Britain, now in this city on leave of absence, has suggested to the Secretary of State that greater care be observed in the issue of passports to citizens desiring to visit European countries.
